

What Messages do Contacts receive and when?

Contacts receive automated messages according to their level assigned.

Selections must be made for each of:

SOS and TaG

Notifications are sent when a User performs the following activity:

Table 1. Notifications Summary

*	None	Level 1	Level 2
TaG Timers On/Off*	x	✓	x
TaG Overdue *	x	✓	✓
SOS/First TaG Warning	x	✓	✓
Cancelled SOS/TaG *	x	✓	✓
Ongoing Warnings/Alerts	x	✓	x

**Data is only needed to set up and activate, messages will continue to send even if connectivity is lost.*
